Course Description

- The study group will be divided into four topics impacting the practice of speech/language pathologists in many areas of practice.
- Pre-reading materials will be given to the participants before each session.
- During the sessions those readings will be discussed. Time will be allotted for participants to discuss the topic in relation to current caseloads.
- There will be four 1.5-hour sessions during 2024.
- Rotating facilitators will be scheduled to lead the study group sessions.

**Important Information:

- Attendance will be taken via WebEx chat. You must type your name in the chat at the beginning of the session. Anyone that does not stay in the session for the entire time will not be given credit for attending. Your camera should be on for the sessions.

PLEASE SIGN INTO THE VIRTUAL PLATFORM EARLY TO BE READY FOR THE SESSION TO START AT 6:00. Thank you! Remember to type your name in the chat for attendance.
